## Clinical Policy Coordinator

The Office of University Compliance is seeking a Clinical Policy Coordinator to provide integral support and coordination to the clinical policy management functions primarily at UConn Health.

Utilizing clinical expertise, this position will assist with:

Coordinating the review, revision, and promulgation of clinical policies, procedures, and standards for the clinical enterprise.

Ensuring consistency, efficiency, and access to clinical policies across the institution and that regulatory and accreditation requirements are met.

Providing guidance and assistance on all aspects of the clinical policy management process.

### Benefits of the position include:

Consistent 40 hours per week, M-F with a hybrid working model. (No nights or weekends)

Utilizing your clinical expertise to effect meaningful change at an innovative teaching hospital.

Tuition reimbursement options and excellent benefits package.

Membership in an office with a collaborative team environment.
